Good Morning Sarah:

Harbor Interfaith in San Pedro is working with Supervisor Hahn's office to open a hybrid bridge home site on Beacon between 7th and 8th. They will be utilizing portable/ mobile restrooms and showers and are in search of a contractor that can discharge their gray water.

I remember your team working on a pilot RV gray water disposal program and was wondering if you had a contractor in mind? If so, would you mind sharing their information with us, please?

If you have any follow up questions, Shari is cc'd in this email. Thank you.

Best,

Gaby
